WHAT A WINTER WE HAVE HAD!

Once again it was so wonderful to see the color Green again. We had two blizzards in one week. One shut us down for Sunday; but we thawed rapidly & back to work we have been. The first 3 months of 2009 began with God's abundance of blessings. We are seeing people come to the Lord, lives changed & MANY CHALLENGES.. We have "5" little girls who in great need of prayer. We thank those of you who continue to pray for them. A couple of them are coming now off & on & are behaving somewhat better. Prayer WILL change lives. We are believing for continued work in their lives.~~ Karen & Dan Schwartz have been an enormous blessing to us. Dan begins his new job @ the Prison in Springfield, SD on May 11th. This will be a much better position for him as well as Darrell Tallman here with his son has been with Dan @ the Youthful Offenders Academe Sunday when Darrell went to work Satan had the older boys. Later that night they jumped face requiring extensive surgery. His left eye is Sioux Falls First AG helped us get this loving & Satan attacks. Darrell needs prayer as he is Traumatic Stress. ~~ Mary & Harry Hartzler will be with us this week end to finalize plans for their outreach in June. Tim is presently @ the church working to install 2 showers & a 50 gallon hot water heater before the Summer kicks in. Beginning June 3rd we will be working along with one of our ladies, Sunbeam Necklace, with her annual revival at her property. June 7, the Hartzler's along with a group of about 25 will arrive for a week of intense VBS, PAINTING THE PARSONAGE WOOHOO! And youth outreaches @ night. Beginning July 6 things start rolling & won't slow down till end of July! Thanks to KC Kopaska & a about 120 other volunteers, we will have our "annual" Day In The Park July 18th. Trying to get everything in order & organized has been a great challenge with trying to get people to return phone calls! BUT GOD IS WORKING IT ALL OUT. This year looks to be one of great success through the power & leading of the Holy Spirit. We are believing the Lord for a YOUTH/CHILDREN'S PASTOR. IF you know of anyone interested (being self supporting) please have them contact us. ~~ We thank the Oglala ReCreation Center for donating to All Tribes Fellowship a 7 passenger van. It has sure been put to great use already! ~~ So this is where we are. We are thankful AS ALWAYS to those of you who continually & faithfully support us & the ministry God has called us to here among the Great Sioux People. The Harvest is Ripe...but laborers are few! Lord of the Harvest SEND US LABORERS along side to reach the lost at any cost! Continue to keep us in your prayers & financial support. Our sincerest love an great appreciation, *Tim & Elaine Harris*
